Dear Parents/Carers,

I hope that you have all enjoyed the long weekends of late and the Liberation Celebration. We find ourselves entering the summer months and as such we would appreciate it if you could ensure that your child comes to school with a recyclable water bottle (they can top up at school during the day), a cap and sunscreen (we do also have some available in a dispenser at school). With the reduced Covid restrictions we will aim to resume our learning outside of the classroom including trips out to the community and beaches. We are also looking forward to being able to do the Silver Duke of Edinburgh expedition in early July.

We are delighted that Year 10 and 11 students are currently out on work experience this week within the community. This forms a part of the wider personal development offer at Le Murier. We look forward to hearing about their various work placements. The week of 6th June is exams week for our senior students and we wish them all the best of luck.

On 20th June we will have His Excellency, the Lieutenant-Governor, visiting Le Murier. We look forward to showing him around and celebrating all that we do.

We are looking forward to the Summer Enterprise event on Thursday 30<sup>th</sup> June 2022 at 1.30pm -2.30pm. We've had to cancel the last few or hold an alternative without parents/carers attendance so we are looking forward to this one and welcoming you all back again. Students run this event; they make items to sell, man the stalls and work together to raise monies for both themselves (they can choose an item for the school to purchase) as well as a charity. We will send out a reminder flyer about this event nearer the time.
