

LE MURIER NEWSLETTER

SUMMER 1
2025

WHAT'S NEW?

- WriteStuff competition winners
- Mufti Thursday 8th
- Liberation Day - 9th May day off

Dear parents/carers,

We are excited to announce the start of the Summer term at Le Murier! To kick things off, our students on the Pastoral Pathway recently embarked on an adventurous two-night residential trip to Lihou Island. The experience was reminiscent of a Bear Grylls expedition, with the key to Lihou House hidden at the bottom of the Venus Pool! It was a fantastic opportunity for our students to engage with nature and develop teamwork skills. Looking ahead, we have more exciting residential trips planned, including adventures in Wales and at Rue Maigney camp. These experiences are designed to enhance our students' learning and personal growth.

I'm delighted to announce that we had a First Prize Winner and a Highly Commended in the recent island wide WriteStuff competition. This forms part of the Guernsey Literary Festival. Both won in the Senior Section and were presented with their prizes at Les Coitils on Saturday 3rd May. Congratulations to both Antonio and Izzy and everyone else that entered. Both stories can be read at <https://read.writestuff.gg/winners/2025/aln/the-cheddar-journey>.

If you have any questions about your child's education, wellbeing or other please don't hesitate to contact us.
